CEBU OCEAN PARK OPENS FIRST UNDERWATER DINING EXPERIENCE FOR ONE VALENTINE'S NIGHT ONLY

This year, love is in the water.

Lovebirds in search of a novel romantic dinner date can look forward to Cebu's first underwater dining experience, Depths of Love by Cebu Ocean Park.

Bask in the wonder and watch the graceful eagle rays swim by as you enjoy gastronomic delights inspired by local coastal flavors.

More than just an exciting romantic dinner, Depths of Love by Cebu Ocean Park is a Valentine's Day special, which combines delectable dining with a rarefied atmosphere of exclusivity in an aquarium.

Situated in the Oceanarium tunnel of Cebu Ocean Park with limited seating, the event is set to be a highly coveted date spot for those who seek an elevated experience.

Beyond the glass-roofed tunnel, tropical fish swirl in a kaleidoscope of colours, creating a mesmerising backdrop for the spectacular cuisine that awaits—from selections of Confit of Dill Salmon, Slow-Braised US Angus Beef, and Corn Risotto, to Scallops in Malunggay Tinola Broth and Tomato Bisque.

For a sweet ending, a specially curated dessert, the decadent Cupid's Sphere, unveils itself with warm chocolate ganache.

The experience is priced at P1,999+ per person, and is only available for one night only. Each couple will receive a take-home gift.

For reservations, call (032)-888-5288 or go to bit.ly/depthsoflove.
